The Safety Sleeper is a fully enclosed bed prescribed for children and adults with elopement issues and challenges with daily memory, motor, gait, and seizure related issues. If you have a client with Autism, Alzheimer's/Dementia, seizures, traumatic brain injury, Smith-Magenis Syndrome, Cerebral Palsy, or Angelman Syndrome, you will find The Safety Sleeper meets all their needs. Let us help you in your client's selection. We provide pricing, help with your letter of medical necessity, and your appeal letter if needed.

Use the code HANDI21 at checkout to receive a FREE waterproof coverlet upgrade!
